was the abuser, not him. And the contemporaneous evidence fully supports that, as the court will hear."
Sasha Wass QC, barrister for NGN, said in a written opening note: "The defendants will demonstrate that the description of Mr Depp as a 'wife beater' is entirely accurate and truthful.
"They will show that the sting of the articles is correct – namely that the claimant beat his wife Amber Heard, causing her to suffer significant injury and on occasion leading to her fearing for her life."

#### **Drugs**

Ms Wass spoke of Depp's "well-documented dependence and excessive abuse of alcohol and controlled drugs which dated back to [his] time as a young man".

She said during the relationship, Ms Heard was "understanding and supportive" of all Mr Depp's attempts to rehabilitate himself and during the early period of his attempts to "kick his addiction" he was "appreciative" of her support.

But she said that on occasions, when he "failed to control his alcohol and substance abuse", Mr Depp "turned his rage and frustration on Ms Heard, berating her and launching into a variety of vile, crude and unreasonable accusations".

Ms Wass said: "On such occasions, Mr Depp's aggression typically descended into physically destructive behaviour, including the use of violence against her.

"His 'wife beating' behaviour included throwing objects at her, slapping her across the face, kicking her, gripping her around the throat and threatening to kill her.

"When sober, he was capable of kindness, charm and generosity. The side of character which he described as 'the monster' was jealous, controlling, violent and savage. It is these characteristics which qualify him for the term 'wife beater'."

She added: "The description of him in the online article in The Sun newspaper is correct, true and accurate."

It was a case of wrong time, wrong place for Amber Matthews. The 23-year-old had no idea when she went to visit a friend who needed help looking after her children that laughing killer Wendell Grissom would choose that house at random...

'I hate where I'm at...if I could give my own life to undo it, I would in a minute' MONSTE PLEADING FOR MERCY: Ambe Matthews was shot while holding her friend's baby

WENDELL Grissom has never tried to deny his guilt.

He viciously slaughtered Amber Matthews, 23, and horrifically wounded her friend, Lauren Dreu Kopf in a home

invasion horror.

Lauren and her children – one of whom was just five weeks old at the time – somehow survived the ordeal.

They still live with the mental scars, though.

Yet sick Grissom has seen fit to pen a series of letters from his cell on Death Row in Oklahoma moaning about how unpleasant it is behind bars.

In one blog post on the website Minutes Before Six, he grumbles: "My cell is four cement walls and a ceiling. The only

we're supposed to receive one nour of recreation every day but there's no yard here. You can't see anything because of the 30ft cement walls and the only open-ing is at the very top which allows fresh air and, if the sun's out, a little sunlight.

#### **Alcoholic**

"I've been in this cell since 2008. The only times I leave it are for visits or medical appointments."
Former trucker and raging alcoholic Grissom says he realises he's "not at

summer camp" but adds: "We're still human beings. People don'ttreat dogs the way we're treated here.
"The food is always cold and nasty. They butcher horses here in Oklahoma and the meat goes to the prison system." And who's to blame for the crimes he committed? According to Grissom, it's all down to the faulty human genes he was unfortunate to receive.
"Yes, I did some horrible things," he admits.

admits.

"And, even though I was intoxicated beyond any sense or reason, there's absolutely no excuse for it.

"But I didn't try to get away with what I did. Once I sobered up I felt so bad that I confessed to it all. The human race will never be perfect. It's in our genes to fail, be it in any manner.

"I hate where I'm at any I sippearly regret."

I hate where I'm at and I sincerely regret what I've done.
"If I could give my own life to undo it, I would in a minute. But the reality of it is, I can't."

The state of Oklahoma

and Lauren, no amount of repenting can ever undo his evil.

In truly excruciating courtroom testimony, Lauren revealed how Grissom had openly laughed in her face as she begged him not to enter her home.

Grissom shot Lauren twice, in the head and stomach, before leaving her for dead and turning

when Grissom was eventually handed his death sentence in March 2008, Judge David Lewis was in no doubt that it was an appropriate punishment. He said: "Wendell

Grissom attempted to murder the homeowner and, surely believing he had had succeeded, he executed her friend with two shots to the head.

#### **Extreme**

"He gave a detailed confession within hours of the shootings. He was able to recount the details of his recent activities and his life history leading up to the crimes.

"He also effectively admitted his guilt of murder at trial, hoping to avoid the extreme punishment."

Like many convicted killers, Arkansas native Grissom, now 51, had a poor start to life that eatured injury, learning difficulties and sexual abuse. Terese Hall, a forensic psychologist and a professor at Oral Roberts University, revealed how Grissom had been sexually molested for several years, beginning when he was around nine, by an adult brother-in-law. Hall said Grissom didn't tell anyone about the abuse at the time

Grissom was described
as "very shy, withdrawn

as well as "anxious,

A series of motorcycle accidents only made matters worse, leaving him with further learning difficulties and causing him to quit school at 16.

as a commercial truck driver, following in the footsteps of his beloved father, Bobby.

#### **Anguish**

It was at this point

It was at this point that Grissom also met and married his wife, Barbara.

But the pairing was a marriage made in hell. Their "disastrous and chaotic" relationship, which ended in 2004, was the source of yet further anguish and depression for Grissom.

By early November, 2005, he was once again looking for cash to score

2005, he was once again looking for cash to score drugs and booze.

As he drove his truck along the highway, he picked up a hitch-hiker, Jessie Johns, who ended up being implicated in Amber's murder.

Court records reveal: "The pair drove into rural Blaine County looking for a house to burglarise.

The pair were finally picked up by police drinking beer hidden in undergrowth near a local cafe.

Amber, meanwhile, was still clinging to life when police got to the property.

She tragically died during the emergency flight to an Oklahoma City hospital.

At his trial, Bobbie and Mary Grissom begged with the court to spare their son's life.

His lawyers made him out to be "a very sick, lost man" who was "extremely depressed".

But their pleas fell on deaf ears and Grissom now awaits his lethal injection.

#### Dear Lexi,

I'M a 40-year-old divorcee and I recently moved in with my girlfriend who's the same age. She has a 20-year-old daughter who is a real cracker.

The other night, as I was dozing in bed, I felt my bird's hand on my cock. Then I felt her kissing my helmet.

But suddenly I realised that it wasn't my bird sucking my dick – it was her lass!

Then her mum began to kiss me passionately. She edged her

Then her mum began to kiss me passionately. She edged her daughter out of the way and took me into her mouth and I shot my load.

I was soon stiff again and my missus hopped on it. Then they swapped over and I rode the pair of them into the early hours Is this normal?

Recently, I launched a mobile service and about a month ago I went to a house for an appointment with a woman who was absolutely stunning. As I was cutting her hair I accidentally brushed my groin against her and she smiled as she felt the stiffy I was sporting. And she continued to smile as she started to rub my hard cock and then slowly unzipped my trousers. It was my turn to smile as she took my eight-incher into her mouth and slurped on my manhood.

Then we moved upstairs and f\*\*ked each other senseless for the next three hours.

Now she's a regular weekend customer and I'm wondering if I should start charging her for my extra services.

## Drunk hubby's best pal showed me a hard time

#### Dear Lexi,

ME and my husband have been married for 12 years, but we've hit a bit of a stale patch.

Anyway, we decided to celebrate the reopening of the pubs at weekend by meeting up with some pals.

As usual, my hubby got himself completely rat-arsed and crashed across a table full of drinks.

His best mate told me to stay put and then carried him outside and got him in a taxi back to our house.

I was giggling with my pals when my husband's mate returned to tell me he had tucked him up in bed.

I was grateful because he's a nice bloke whose wife has just left him.

We got chatting and then I felt

I held his hard cock and cupped his balls before going down on him and licking his swollen shaft.

Then I dropped to all fours so he could enter me from behind.

After shooting his load, he very quickly recovered and proved himself a stud as he drilled me a second time. second time.

I'm desperate to shag him again. What should I do?

## Older lover so good in bed - but so boring

#### Dear Lexi.

I'M a 30-yearold hairdresser who runs mv own salon and I've been dating a fella 20 years older than me.

We met in a bar one night, when I'd gone out with some of my girlie mates for a quiet drink.

There was a group of lads bothering us and this man stepped in and told them they were siling our evening.

and told them they were spoiling our evening.
The lads quickly went away and he offered to buy us a drink.
We chatted for the rest of the night and when he offered me a lift

home I gratefully accepted.
So I asked him in for coffee and once inside I leaned over and kissed him on the lips and said thanks for gallantly coming to our

Then he pushed my panties aside and it was obvious to him

that I was turned on because I was dripping wet.
As he explored my pussy, I felt I would

explode – his expert touch was delicious as he probed inside me and we both took it in turns to lick my love juices off his fingers.

Then I unzipped him and started to

stroke his impressive hard-on.

He moaned with pleasure as I lowered my head and took him tenderly between my lips and sucked him slowly.

#### **Straddled**

Within a couple of minutes I could feel the pressure building up in his balls, so I pulled away and said we should go upstairs

We undressed and lay on the bed. He licked my nipples and played with my massive breasts.

I then pushed him back on the bed,

straddled him and slowly myself onto his rock-hard cock.

I f\*\*ked him slowly at first and then increased the speed until we both came together.

It was the best sex I'd ever had and afterwards we lay there for hours, cuddling and chatting.

I've been with him for six months now

and I adore him very much.
But the problem is I want us to go out

#### Phone MILF gave me a filthy call!

#### Dear Lexi,

I RUN a little business selling and fixing mobile phones. I'm a 23-year-old single fella and don't have any problems pulling the ladies.

One afternoon, when I was on my own in my cabin, I was approached by a woman in her 40s who had a problem with her mobile.

She was a tasty blonde with big tits and a nice arse.

I could tell she fancied me by the look on her face.

I went to the storeroom at the back of the cabin to

get a replacement part for her phone But she followed me and asked if I would use my

tools on her!
So I said, "Why not?" and as soon as I said that she took off her top to reveal her fantastic knockers.

#### **Throbbing**

Then she quickly pulled down my pants to reveal my six-incher standing to attention.

She wrapped her boobs around my cock and then began sucking on my throbbing bellend.

She licked my balls and shaft and just as I was about to chuck my muck, she stopped and begged me to take her dogwystyle.

her doggy-style.

After a minute of pumping I unleashed the lot. Then, as if nothing had happened, she got up and picked up her phone and walked out of the shop.

I'd love to see her again, but I'm not allowed to access client's addresses or private details. What should I do?

I'M a 30-vear-old housewife and a counte of weeks ago I was seduced by an older woman. My husband, who is a

I burst into tears and after a few moments we fell into each other's arms for comfort.

Then she kissed me on the lips, saying she knew a great way to get even with him.

She started to flick her tongue in and out of my mouth and I felt myself

becoming aroused.
I gave in to her as she slipped my bra over my shoulders and began licking

my nipples.
I moaned with delight as she massaged my clitoris

before going down on me and bringing me to several shuddering climaxes. I found it exciting to lap at her pussy, especially when she screamed out in

orgasm. She's now dumped my husband, but I'm still seeing her. Is this OK?

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee)
Jasmine Jae, and their two young promiscuous stepyoung promiscuous step-daughters, Abby and Fanny

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae

ARSENAL goalie Emi Martinez has leapt to the defence of David Luiz and Shkodran Mustafi. Many critics think the heart of the Gunners backline is an accident waiting to happen, with the Brazilian in particular open to goal-making mistakes at any moment.

But Martinez — who is between the sticks while Bernd Leno is crocked — feels safe as houses behind the pair.

And he could have a point with the Londoners making it three clean sheets as they have won their past four outings in the Premier League.

The Spanish stopper said: "Now, we have structure, we have a gameplan, we have game management and the defence looks stronger and stronger. "Believe me, David and Musti are top

City did have 26 shots against Southampton so on another day they might have scored three or they might have scored three or four, but a more interesting sta-tistic is that City have now made 120 changes to their starting XI so far this season – 33 more than the next teams (Arsenal and Chelsea on 87). # HODGSON

By ANDY MILLOM

CRYSTAL Palace boss Roy Hodgson says he's looking for a goalscorer to take his team to the next level.

The Eagles are safely in midtable despite having scored fewer goals than any other side in the league

barring bottom boys Norwich.
Palace have managed to hit the target just 28
times in their 33 games. At the other end they have
let in just 40 — which is less than Chelsea and Tottenham.

Christian Benteke continues to struggle and Jordan

Ayew is also finding goals hard to come by. With attacking talent like Wilfried Zaha and Andros Townsend in the side, hitting the target should be less

of a problem.

The former England boss said: "My simple answer is we'd look for a good one and a striker with a proven goalscoring record, that would be rather nice

"Because if you look at the teams doing rather well this year, outside of course of the Citys and Uniteds who have quite an array of riches, you see Leicester and what Vardy does with the goals and how he has helped them along the way, and you look at Southampton with Danny Ings in particular. "So I can only give you the simple answer that we are looking for good strikers and ones who know where the goal is.

"Because we don't believe that we don't create chances or don't

treate chances or ton't have enough possession of the ball in opposing team's half. "It's just this year we haven't taken as many of the chances we have created that I or the team would like
